Additional Notes:

Students

Each year approximately four to six applicants are chosen for an interview. The interview is spontaneous without prior notification. They are held at the High School and you will be called out of class and given the opportunity to talk to the Navarre Krewe of Jesters Scholarship Program Committee. In preparation for this, take the time after you have submitted your application to prepare yourself for the interview. This preparation time will also prepare you for future interviews for jobs, colleges and perhaps even other scholarships. Think about your goals, the colleges you are considering, possible challenges and any other information about yourself that makes you unique or simply you. If you have any questions, please do not hesitate to check in with your Guidance Counselor. Good Luck!
